## **CCSD93** School Safety Communication Decision Tree

## TEAPON BROUGHT TO SCHOOL

At the end of the school day, a website post and email communication to the parents of the school's students are sent containing relevant information, including reminding parents to review how to respond to unsafe situations at school and how to use the Safe School Helpline. Admin discretion may be used to only send to individual classroom or grade level parents if incident is deemed minor and contained.

possible.

Immediately following police approval (if applicable), a website post and emails, texts & phone calls are sent to the parents of the school's students containing relevant information, including reminding parents to review how to respond to unsafe situations at school, and details of an emergency town hall meeting.

involved, if applicable, as soon as possible.

Immediately following police approval (if applicable), a website post and emails, texts & phone calls are sent to the parents of the school's students containing relevant information, including evacuation site (reunification plan), clarification that only first responders may enter the building & link to follow more info on district social media.
