Dear Jay Stream Middle School Community,

The purpose of this letter is to keep you informed regarding a situation that occurred at Jay Stream Middle School today.

At approximately 12:10 p.m., a Hold in Place Schedule was called at Jay Stream Middle School to attend to a situation involving a visitor to our building in need of medical assistance. This is part of CCSD93's Crisis Plan. In a Hold in Place Schedule, students and staff members stay in their classrooms and continue learning until the given situation is resolved. The intent of a Hold in Place Schedule is to preserve the integrity and safety of the individual in need as well as the safety of the other students and staff members in our building.

A call was placed to 9-1-1, and as a result, an ambulance arrived at Jay Stream Middle School. Students and staff responded appropriately to the Hold in Place Schedule by following directions. It ended at approximately 12:24 p.m. when the visitor was safely inside the ambulance.

Student and staff member safety is our highest priority, and I thank our students and staff members for their cooperation during today's Hold in Place Schedule. Please feel free to contact me at [pietroc@ccsd93.com](mailto:pietroc@ccsd93.com) or 630-588-5200 if you have any questions or concerns regarding this situation.
