

THE HUSKY HOWLER

Brought to you by the Heritage Lakes School PTA

Vol. XXVII No. 2

September 2016
hlpta@ccsd93.com

Can you believe that another school year is beginning? Where did the summer go?! We would like to extend an extra warm welcome to those of you who are new to Heritage Lakes School! We are very excited for the 2016-2017 school year and are looking forward to a wonderful year here at Heritage Lakes. Our first PTA event was the Back to School Picnic. It was a fun event and a great way to get to know other families in the Heritage Lakes Community!

If you are unfamiliar with the PTA and what we do, our goal is to organize and fund programs which will enhance the learning environment AND benefit the Heritage Lakes Community. To start, we ask all parents of Heritage Lakes' students to become members of the PTA. You will need to be a PTA member if you will be volunteering your time and talents within the school. The cost of membership is only \$6.00 for single membership or \$10.00 for double membership. In addition to the many discounts major retailers provide to PTA members, all paid members will receive a copy of the student directory which lists the addresses and phone numbers of our students. Membership forms can be found the back side of this letter. Simply fill it out and return it with a check made payable to HLS PTA to your child's teacher in an envelope marked "PTA Membership." Membership is annual, so if you were a member last year, please join again for the 2016-2017 school year.

(To see the discounts on groceries delivered to your door, car rentals and much more, check out this link: <http://www.pta.org/about/content.cfm?ItemNumber=3409&navItemNumber=4180>.)

Did you know that the PTA funds and coordinates activities to enrich the curriculum such as the DuPage Children's Museum, an interactive classroom program, and the Reflections program! We also fund and organize events like the Back to School and End of the Year picnic, family game night, holiday workshop and monthly family fun events plus buses for a second field trip and much, much more. In addition, the PTA puts together the monthly newsletter, creates the yearbook and works to promote communication with parents, keeping them informed on important issues.

In an effort to increase communication, we are on Facebook now! Search for and like [Heritage Lakes Happenings](#). You'll get updates on all the happenings right in your newsfeed!! Plus, don't forget to check the [CCSD93](#) page, select our school for a calendar of events and much more.

A "Help Wanted" form is included in this newsletter with all sorts of volunteer opportunities. Just fill it out and send back to school. There are even some committees that still need leadership. We can't do this without YOU, there are so many options for parent involvement at school and at home!!!

Finally, we'd like to invite everyone to attend our monthly PTA meetings. You do not have to be a PTA member to attend and we won't ask for you to do a thing! The first PTA meeting of the year will take place on Monday, September 19th at 6:30 pm in the LLC. **Childcare WILL be provided!!** We try and keep the meetings to an hour. We will also be having our Room Parent meeting during this time. Please come and find out what is happening at our school each month. Attending meetings also gives you a voice in important decisions that are made for the school. We are looking forward to seeing you there.

In the meantime, if you have any questions or concerns, please feel free to contact me!

Classroom Volunteers Needed!

Dear Parents,

Have you heard of Junior Achievement? It's a financial literacy program that your child will be participating in and **YOU** can help! Junior Achievement is a nonprofit educational organization that partners communities and businesses with local schools. JA is a supplemental curriculum that teaches financial literacy, life skills, workforce readiness, introductory business, and economics to students in grades K-12. Each program builds upon the previous year's concepts to give kids a head start in the business world.

The best part is that **YOU** make learning fun. We recruit parents to teach the program. JA will supply all the materials **free** provided by generous donations of corporations and foundations.

This is a great opportunity for you to become involved in your children's classroom not only as volunteers, but also as teachers! Each program consists of five completely scripted lessons that range from 25 to 45 minutes. All materials are included in a simple kit. Who can teach your children better than their first role model?

It's very simple and FUN to teach, no experience, no problem, it's a short time commitment and we'll give you training! It is very easy to teach and a relatively short commitment. You can work with your child's teacher on the timing of the program. Most opportunities are available in the spring.

If you really would like to go the extra mile, there are a few fall classes that really need a Junior Achievement volunteer. If interested, please fill out the form below and check the box, it would be appreciated! You can also volunteer for more than one class if you'd like, if one class has multiple volunteers, we'll do a random draw or work as a team to teach that class.

If you would like to volunteer, please fill out the slip below and return it to your teacher. If you have any questions about teaching JA, please contact John Jaszka at jjaszka@hotmail.com or 630-772-7120. John can answer questions and then arrange for a short training session if needed and supply you with the materials. You'll arrange the actual schedule with your child's teacher.

Sincerely,
John Jaszka

Heritage Lakes Huskies Recycle!

During the last school year, Heritage Lakes participated in two fun initiatives to help students understand the value of recycling.

Students, families and staff donated used markers as part of Crayola's *Color Cycle* program. As of this summer's donation, Heritage Lakes has helped divert **45 POUNDS** of markers from landfill over the last two years! Way to go!

Huskies also donated **2.5 POUNDS** of used and broken crayons at the end of the school year to *Super Crayons*, a recycling project sponsored by Glen Ellyn-based SCARCE (www.scarcecoed.org). From pieces of broken crayons, SCARCE volunteers peel, sort and melt crayon pieces to form new large crayons, which can be used by children with special needs.

THANK YOU to everyone who participated in one or both programs!

If you're just joining the Heritage Lakes community, we welcome your participation in the year ahead. During the 2016-2017 school year, the PTA will be collecting used crayons and used markers **ALL YEAR LONG**. Watch for collection bins around the school this fall.

For more information on Crayola's Color Cycle program, see the flyer in this month's newsletter. If you have questions on either program, feel free to reach out to Susan Camberis, Ecology/Recycling PTA Committee Chair at susancamberis@att.net. Thank you!

Sincerely,

Turn Markers Into Energy!

Dear Parents,

I'm excited to tell you about a very special program I'm coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing new program devised to turn used markers into energy!

All around Heritage Lakes students and teachers will be collecting used markers that are ready to be discarded. The markers will be sent to a facility where they will be converted into clean fuel. This fuel can be used to power vehicles, heat homes, cook meals and more!

Please help support our efforts by sending your kids in with any used markers you may have around the house – even non-Crayola brands. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can keep tons of plastic out of landfills each year.

Remember don't throw out that used marker—*ColorCycle it!*

Sincerely,

Susan Camberis

Dear Heritage Lakes Elementary School,

On behalf of the families and children served by Ronald McDonald House Charities® of Chicagoland and Northwest Indiana (RMHC®-CNI), I would like to thank you for your generous in-kind donation of 80 pounds of pop tabs.

Your donation directly supports our mission to provide care for families of children with complex medical needs. Our five Ronald McDonald Houses and three Ronald McDonald Family Room® programs offer a welcome place where families can have a meal, rest, relax, meet other families and find the emotional support they need – just blocks away from the hospital where their child is being treated.

Each night, Ronald McDonald House® near Central DuPage Hospital provides 12 families with a 'home away from home' just steps away from where their child is being treated. Together with our four other Ronald McDonald Houses and three Ronald McDonald Family Rooms, we provide over 43,000 nights of comfort, compassion, and a sense of community each year. We would not be able to accomplish this without the generosity of volunteers and donors like you.

Thank you for your donation and your dedication to our organization. We believe that when a child is hospitalized the love and support of a family is as powerful as the strongest medicine. Together, with your help, we are keeping families strong and helping children heal faster.

Sincerely,

Katie Allabough
House Director

Welcome back to school from your PBIS Tier 2 Team!

This will be our second year with PBIS Tier 2 in our school, and we will have more information to come. Watch for updates in the PTA newsletter in coming months. We can't wait to get started with our "Howling Huskies" again this year!

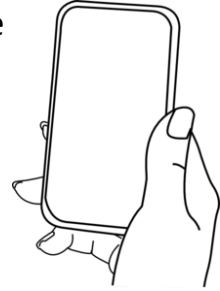

PBIS is a proactive system, which provides behavioral supports and social culture needed for all students to achieve social, emotional and academic success. Through PBIS, staff provides various interventions and supports to all students. ***We believe PBIS Tier 2 will bring real, positive change to our school!***

Would you like to be part of the TIER 2 Committee?

We have room for a parent representative on our committee. We meet twice a month on Thursday mornings at 8am.

★ Contact Mr. Yelaska or Mrs. Yohn (yohnr@ccsd93.com) for more information.

Would you (or your child) like to be reminded the night before their library checkouts to bring books back to school? If so, you can sign up for a texting service to receive a text the night before checkout (usually texts go out at 7pm). If you prefer, you can set it up to get an email instead of a text.

The LLC uses the services of remind.com to send weekly texts reminding you of library day! It is fast, easy, and anonymous! If you would like to sign up, follow the instructions below. And yes, you can sign up for more than one day if you have more than one child at Heritage Lakes!
