

Dear CCSD93 Parents and Guardians,

I hope you and your family remain healthy and safe at this time. This message will be emailed to families on March 22 and is intended to provide updates regarding school closures and meal opportunities for students.

As we continue to follow guidelines from health organizations and the state, CCSD93's school and district administrators will join the rest of CCSD93's staff in working from home until further notice. This means CCSD93's schools will also be closed to students and parents until further notice. The best way for you to reach out to a school administrator is via email, which can be found on school websites at [www.ccsd93.com](http://www.ccsd93.com) or through the directory on CCSD93's app. You may also call and leave a voicemail, and you will be responded to as soon as possible.

Regarding meals, CCSD93 is working with our food service provider to continue to offer meals for all students during this closure. Under guidance from the state, these meals will continue to be provided during the statewide hold-in-place. Until further notice, each weekday including spring break between 10:30 a.m. and noon, all students are invited to pick up a free complete lunch and breakfast at any of our elementary and middle schools, as well as the following five additional locations in the community:

- Camden Apartment entrance in Bloomingdale
- Heritage Presbyterian Church in Carol Stream
- Peterson Avenue & Kuhn Road in Carol Stream
- Quail Run Apartment complex in Carol Stream
- Discovery Park in Hanover Park

Meals will be provided in a grab-and-go style and served from CCSD93 school buses under the supervision of our staff members. Parents and students can drive up or walk up for students to receive a meal. Please ensure that as you do, you observe social distancing guidelines of remaining at least six feet from others. Meals will be provided only to students, and students must be present to receive a meal. Meals should be taken home and are not intended to be consumed on site. You can find all of this information at [www.ccsd93.com/meals](http://www.ccsd93.com/meals).

Thank you for your continued flexibility and support. We're excited for our students to begin working with our teachers again tomorrow! We will continue to keep you informed as updates become available.

Sincerely,

David H. Hill, Ed.D.
