

Dear CCSD93 Parent/Guardian,

As you may be aware, the Governor announced today that school closures across the state will continue until at least April 30. This means CCSD93's schools will remain closed until at least April 30, and we will continue to offer teacher-led remote learning opportunities during regularly scheduled school days. Our goal will continue to be to help to provide structure to our students' days and to keep them engaged through unique learning opportunities. We will continue to do our very best to balance student academic needs with social and emotional needs in the best interests of students.

We will also continue to offer grab-and-go food pickup opportunities for all students from 10:30 a.m.-noon at all schools and five additional community locations every weekday until further notice. Visit www.ccsd93.com/meals for more on meal service.

As a reminder, teacher-led remote learning will not be offered through the rest of this spring break week, March 30-April 3, or on April 10, which is a scheduled student non-attendance day, but meal service will be offered during these days off. CCSD93 will continue to rely on guidance from the state and health organizations in order to contribute to the health and safety of our students, staff, families, and community.

Thank you,

David H. Hill, Ed.D.
Superintendent of Schools
CCSD93
