

Dear CCSD93 Community,

At CCSD93, we know the conditions surrounding COVID-19 have been difficult on our families and students, and that each family's circumstances are different. This is why our goal continues to be to help to provide structure to our students' days and to keep them engaged through unique learning opportunities. Given these conditions, we have also made a concerted effort not to overwhelm students or families. We are doing our very best to balance academic needs with social and emotional needs in the best interests of students.

**At the end of each week for the remainder of our closure, we will send parents an attendance check-in form that we ask you to complete for three reasons:**

1. So that we can work to better meet students' needs during this unprecedented time.
2. So that we can better understand the gaps that students will experience when we return to school.
3. To meet Illinois State Board of Education guidelines for student attendance.

**Please complete [this week's form here](#) for each child you have in CCSD93's schools.**

Sincerely,

David H. Hill, Ed.D.  
Superintendent of Schools  
CCSD93
