

COMMUNITY RELATIONS

News Releases

The Superintendent or designee shall regularly provide information concerning District programs, policies, and activities via news releases that shall be sent to news media within the District and selected outside media.

Individual staff members, departments, and schools may provide information for news releases through the Superintendent whenever they have information that may be of interest to the citizens of the District.

Adopted: May 2, 1983  
Revised: March 8, 2001
