

BOARD OF EDUCATIONBOARD MEMBER SERVICES - VISITATION TO THE SCHOOLS

The Board encourages all Board members to visit District schools in order to become acquainted with school programs, personnel, operation, and facilities. In order to direct the procedures for school visitations by Board members, such visits shall be made in accordance with the following guidelines:

1. Board members shall register with the Building Principal prior to a tour of the building.
2. Board members shall refrain from giving direction or making evaluations of personnel and operating procedures during their visit.
3. Board members' observations, comments, and/or opportunities for improvement which result from a school visit shall be directed to the Superintendent.
