BEFORE AND AFTER SCHOOL CHILD CARE PROGRAMS

The Board of Education may establish a before school and/or after school program for students in kindergarten through 6th grade. The program may include time for homework, physical exercise, afternoon nutritional snacks and educational offerings which are in addition to those offered during the regular school day. The program shall be administered by a certified teacher or a person who meets the requirements for supervising a daycare center under the Child Care Act of 1969. Such programs may be administered in cooperation with other qualified agencies.

The schedule of the program(s) may follow the work calendar of the community rather than the regular school calendar. Parents or guardians of participating students shall be responsible for providing transportation for the students to and from the programs. The Board may charge parents of participating students a fee.
