

## OPERATIONAL SERVICES

### MEDICAL EMERGENCIES AND AUTOMATED EXTERNAL DEFIBRILLATORS

The Superintendent will establish and implement procedures for responding to medical emergencies and a medical emergency plan which will address, among other things, maintenance and use of AED's pursuant to the *Physical Fitness Facility Medical Emergency Preparedness Act* and the *Automated External Defibrillator Act* and their implementing regulations. A copy of the plan shall be filed with the Ill. Dept. of Public Health (IDPH). The plan shall provide for at least one automated external defibrillator (AED) to be available at every physical fitness facility on the premises according to State law requirements.

The District shall have an AED on site as well as a trained AED user: (1) on staff during staffed business hours; and (2) available during activities or events sponsored and conducted or supervised by the District. The Superintendent or designee shall ensure that every AED on the district's premises is properly tested and maintained in accordance with rules developed by the IDPH. This policy does not create an obligation to use an AED.
