

OPERATIONAL SERVICES

BUILDINGS AND GROUNDS - CUSTODIAL SERVICES

The schools of the District shall be maintained in a safe, sanitary and attractive condition. To this end, an adequate staff of custodians and sufficient supplies and equipment shall be provided. An outside custodial service may be utilized by the District for such purposes.

The custodial staff shall receive direction and supervision in the performance of its tasks. When appropriate, in-service training programs may be used to increase effectiveness and to introduce new products or methods.

In addition to routine cleaning procedures, more extensive and thorough cleaning of buildings and equipment shall be scheduled for vacation periods, particularly during the summer.

Maintaining a clean and orderly school building is not solely the responsibility of the custodian. All staff members need to be thoughtful and cooperative, not only in their own actions but also in developing standards and habits on the part of the students.
