

OPERATIONAL SERVICESREVENUE AND INVESTMENTS - RENTALS AND SERVICE CHARGES

The Illinois School Code grants School Districts the right to purchase textbooks and rent them to pupils. Districts also are permitted to provide transportation for pupils less than one and one-half miles from school and to make a charge for such service.

Accordingly, the District will charge a textbook rental fee for all grades. The amount of this fee will be set annually by the Board. This fee may be waived in a hardship case as determined by the Superintendent.
