

OPERATIONAL SERVICESREVENUE AND INVESTMENTS - RENTAL OF FACILITIES

Facilities of the District may be rented to community organizations with the prior approval of the Superintendent. Decisions to approve or disapprove such requests shall be based upon the availability of the facilities; interference or potential interference with the instructional program or other school operations; and verification that the group maintains adequate insurance coverage against personal injury and/or property loss.

In cases of doubt, the Superintendent shall bring the matter to the Board for its final determination. The fee for the use of facilities shall be set annually by the Board. Income from such rentals shall be credited to the Operations and Maintenance Fund and all expenses resulting from such rentals shall be charged against this fund.

The Superintendent shall be responsible for establishing further procedures and regulations for the use of school facilities and property.
