

Community Consolidated School District 93
Board of Education Goals
July 1, 2022 - June 30, 2024

Goal 1: Board Governance & Policy

- Work effectively as a team and collaborate with the superintendent, exhibiting a shared understanding of board/superintendent roles. Continuously update and maintain board policies.

Goal 2: Student Achievement

- Strive to create a positive learning environment by providing students and staff with the tools, training and facilities needed to promote continuous student growth.

Goal 3: Budget Responsibility

- Continue to employ an efficient and transparent process to develop a fiscally responsible budget for the near and long term, given the current economic climate and pandemic needs. Maximize efficiencies, promote innovation and maintain or enhance the equity of programs and services at all CCSD93 schools.

Goal 4: Legislative Advocacy

- Take a proactive stand on federal, state and local legislation or mandates that could have the potential to negatively affect teaching and learning in CCSD93.

Goal 5: Support the District's Diversity, Equity and Inclusion Policy

- Establish a culture where every individual is treated with the utmost equality and social justice regardless of race, religion, culture, gender, sexual preference, or sexual orientation.

Goal 6: Community Involvement

- Enhance community support by promoting the District's positive attributes, maintaining open lines of communication, and encouraging parent and community member involvement.
