At CCSD93 we believe that:

- Students are at the heart of all we do.
- All students can learn, grow and meet high expectations.
- Educators working collaboratively, using data make an impact.
- Shared leadership and responsibility are essential.
- Strong, respectful and supportive relationships lead to success.

» STRATEGIC PRIORITIES & OBJECTIVES

Student Success

To fulfill our Portrait of a CCSD93 Graduate, we inspire each student to grow academically, socially and emotionally through evidence-based practices.

- Maximize the academic growth of each student to ensure mastery of essential skills and content
- Support student social and emotional well-being to enhance learning
- Provide all students a variety of pathways to identify and explore their passion and purpose
- Empower students to take ownership of their learning
- Promote inclusiveness and appreciation of diverse perspectives

Engaged Employees

Create and support a workforce that is inspired and engaged to fulfill the Portrait of a CCSD93 Graduate, demonstrate the district's values, and meet the objectives of the Strategic Plan.

- Attract, develop, retain and recognize high-quality staff who embody CCSD93 values and represent the diversity of the student population while serving the unique needs of each
- Represent the diversity of the student population in the teaching staff and administration
- Engage staff and student voices to ensure appropriate collaboration in decision-making and collective responsibility of the culture and climate of our schools and classrooms
- Ensure staff uphold high expectations for all students
- Utilize systems of collaboration surrounding data analysis to ensure sound decision making resulting in evidence-based practices
- Assist all staff to continuously grow and improve in their professional practices

Operational Excellence

Responsibly manage resources to support the vision for students set forth by the Portrait of a CCSD93 Graduate in alignment with strategic priorities.

- Maintain safe schools for all students, staff and visitors
- Leverage resources effectively to ensure financial sustainability
- Invest in infrastructure that supports learning
- Uphold sustainable and responsible environmental practices
- Produce ongoing strategic communications
