SPRING BREAK MINI-CAMPS

March 31, April 1 and April 2, 2020

Robotics Challenge

Learn to build and program LEGO robots with 3 fun days of challenges. Make a marshmallow catapult, build a sumo-wrestling robot and navigate a maze.

Time: 9:30 am to noon*
Ages: 9-13
Cost: \$20 per youth

Forces of Nature

Learn how resources are impacted by the Earth's natural forces during this 3-part learning experience. Study earthquakes, water, volcanoes, ice, erosion/flooding and weather through fun, hands-on activities.

Time: 1* to 3 p.m.
Ages: 9-13
Cost: \$20 per youth

Sign up @ <http://go.illinois.edu/dupagecounty4H> Registration opens Jan. 31. Space is limited. No need to be a 4-H member to participate!

 Spring Break 2020
Dates & times listed above
**Note: If staying between sessions on the same day, feel free to pack a nut-free snack or sack lunch*

 U of I Extension
1100 E. Warrenville Road
Suite 170
Naperville IL 60563

Forces of Nature

WEATHER SEMINAR with 4-H

Guest Speaker Matt Friedlein of the National Weather Service

Learn about weather and forces of nature from a National Weather Service Lead Forecaster. Friedlein will talk about how he works with a team to analyze and forecast the weather for northern Illinois and northwest Indiana. Learn about local weather research and the applied science of forecasting heat waves, blizzards, and thunderstorms.

Designed for ages 9-18. No need to be 4-H members to join in! Check out the "Forces of Nature" mini-camp to earn free* admission for this event. Learn more on our website:

Registration opens Jan. 31 @ go.illinois.edu/DuPageCounty4H

 9 a.m. to 10 a.m.
Friday, April 3, 2020

 \$5 per person or *FREE for Spring Break mini-camp attendees. Space may be limited.

 DuPage County location - U of I Extension Office
1100 E. Warrenville Road, Suite 170,
Naperville IL 60563
