Primrose School of Carol Stream

The Leader in Early Education and Care®
PrimroseCarolStream.com

To our local parents of school-age children:

Concerned about balancing work and your child's schooling? Trying to figure out how to handle school drop-offs, pick-ups, shortened schedules, and/or remote learning? Worried that schedules may change, and you may need more care later on? Let Primrose School of Carol Stream help you!

We are now offering full-day care and education for children ages 5 through 12 years old. We can accommodate different schedules, including fully remote and hybrid models. We can bus to the local schools to drop-off and pick-up children. Our daily schedule includes time to complete district e-learning curriculum and homework, as well as our own Primrose Curriculum. Meals are also included!

HURRY, as spaces are EXTREMELY limited! Call us today or submit an online inquiry form at

www.primrosecarolstream.com

*Note: Busing to schools dependent on school and availability.
