About Us

The Carol Stream Travel Softball Baseball Association (CSTSBA) is a non-profit organization established in 2001. CSTSBA partners with the Carol Stream Park District to provide the opportunity for area youth to learn and play competitive baseball and softball.

We are a competitive travel softball (Storm) and baseball (Cougars) organization that emphasizes player development and believes in preparation, dedication, and teamwork.

Our mission is to create a fun, challenging, and competitive environment in order to teach the youth of Carol Stream the sports of softball and baseball. We are also a place where new friendships are formed, and lasting memories are made. We take great pride arming players with life skills including leadership, sportsmanship, and teamwork, which will contribute to their success both on and off the field!

Myths about Travel Baseball and Softball:

Myth: *Travel Softball or Baseball is EXPENSIVE*

Fact: The Cougars Association and individual teams do a great job fundraising to limit families out of pocket expense. More often the out-of-pocket expense is less than \$500.

Myth: *Travel means FAR*

Fact: 90% of games are played within 20 minutes of Carol Stream. The Cougar and Storm teams participate in local league play against surrounding suburbs. Each team may elect to do one out of state tournament at the end of the season.

Myth: *Travel is TOO Competitive*

Fact: CSTSBA focuses on player development. We strive to stake a healthy balance between skill development and competitive play. Our organizational goal is to develop skills which will help players succeed on and off the field.

Thank you for considering the CSTSBA to help your child develop a love for the game of baseball or softball.

We look forward to seeing you at tryouts.
