

GENERAL SCHOOL ADMINISTRATIONDEVELOPMENT OF ADMINISTRATIVE RULES

The Superintendent shall specify the required actions and design the detailed regulations under which the schools will be operated. Such procedures and regulations will implement the policies of the Board.

In the development of administrative rules, the Superintendent shall give consideration to the recommendations and reactions of those who will be affected. Rules shall be shared with the Board of Education and disseminated to all persons affected by them.

Adopted: March 10, 1983
Revised: June 10, 1999
