

PERSONNELPROFESSIONAL PERSONNEL - TUTORING

Tutoring shall be defined as teaching privately for pay, and shall be reported as outside employment. The school system's policy in this matter shall be as follows:

1. There shall be no tutoring in the school buildings.
2. No child shall be excused from school for tutoring.
3. In discussing tutoring with parents, each case shall be considered on its own merits.
4. Parents shall be urged to keep the school principal and the child's teachers informed of any tutoring that is done.
